PROPOSERS OF THE BID - SLIGO BID COMPANY CLG

INTRODUCTION

Sligo made history in 2016 in adopting a Business Improvement District Scheme, the first such entity located on the west coast of Ireland. There are currently five BID companies in Ireland and this number is expected to grow over the coming years. This is a scheme common in the United States (over 1,500 BID companies) and the United Kingdom (345 BID companies) where the ratepayers of a designated geographical area contribute an agreed additional percentage of their rates to be ring fenced for particular actions and projects.

Sligo commercial ratepayers have contributed almost €1 million in levies since the inception of Sligo BID CLG since 2016.

Sligo BID Levy is calculated at: the net rateable value of the property x 0.0143. For example, if your net rateable value is €10,000, then your levy contribution is €10,000 x 0.0143 which equals €143.00. 70% of the BID levy payers in Sligo BID pay €400 per annum or less and this contribution per year funds the running of the BID office and the projects and programmes that benefit the BID area. The yearly BID Contribution is € 444,264.

Sligo BID CLG is based at the Abbey St, Sligo, has been involved in numerous projects and events in Sligo over the last five years, including Christmas lighting, retention of the Purple Flag award, Coach Friendly Destination status, financial support to Sligo Tidy Towns of €30,000 per annum, expansion of the Sligo Summer Festival, the annual St Patrick's Day parade (with Sligo, one of six selected destinations (pre Covid) as a pilot town for tourism promotion in the USA), Sligo Cairde Arts Festival, Sligo Live and business tourism events, i.e. conferences. It has also project led in the Collaborative Town Centre Health Check project, phase 1 (Heritage Council of Ireland), annual consumer and perception surveys, footfall data collection, attended ITOA and CTTC tourism industry trade shows. Sligo BID has worked with Sligo County Council in support of projects such as the public realm projects such as the Civic Plaza (2020) and the refurbishment of O'Connell St (2019) and Irish Water works (2018). Sligo BID was vocal and committed to seeking a resolution to the long-standing issue of Lower Connaughton Road.

When Sligo BID started in 2016, Sligo town had seven working Christmas frames that were 15 years old. 95% of coach and tour operator drivers polled, preferred to pass by rather than stop in Sligo and Lower Connaughton Road was a 28-year long issue in the town centre. Currently, Sligo BID has in excess of 50 Christmas frames, 40,000 cluster lights, increased coach and tour operator traffic by 20% in 2019 and earned certification as the first designated Coach Friendly Town in Ireland from the Coach Transport Council of Ireland, and Lower Connaughton Road no longer negatively impacts perception of Sligo within the coach sector, visitor and Sligo town centre user.

By voting to continue with BID 2 you will be empowering the BID office to work with all stakeholders to

- a) Continue to promote and advocate that Sligo works towards becoming a vibrant, exciting, sustainable town, attracting businesses and visitors, driving the local economy, and enhancing the quality of life of residents and visitors to Sligo.
- b) Promote close co operation and collaboration with local key stakeholder agencies and amongst BID members.
- c) Ensure that Sligo realizes its ambition of a regional centre for growth as per the National Planning Framework, Ireland 2040.
- d) Facilitate and support programmes of actions that will enhance the cultural identity of the town and boost its national and international profile and image.
- e) Continue to develop external key relationships that may influence Sligo's performance such as Fáilte Ireland, Heritage Council of Ireland, Coach Tourism Council of Ireland, Irish Tour Operators Association.
- f) Deliver value for money to ratepayers in Sligo

GOVERNANCE & MANAGEMENT STRUCTURE

It is proposed that the Sligo BID office will continue to be located at Abbey St.

GENERAL PURPOSE OF THE BOARD OF SLIGO BID CLG

The board is the governing body of the Sligo BID CLG. It determines appropriate objectives within the BID proposal to promote the achievement of goals and priorities. In addition, the board controls the BID company monies and resources. Membership of the board is open to any business owner in receipt of a BID levy and within the BID geographic area.

CODE OF CORPORATE GOVERNANCE FOR BID SLIGO CLG

A code of corporate governance has been adopted by the board members of Sligo BID CLG, who have ultimate governance responsibilities. It helps to lead the company through example, and to achieve and maintain excellent governance both amongst the board members and staff.

The Code aims to help enhance the effectiveness of the board by:

- Clarifying what effective governance looks like and how it can govern effectively.
- Reassuring stakeholders about how Sligo BID CLG is governed
- Maintaining and enhancing public confidence in Sligo BID CLG
- Sligo BID code and governance documents are available for review at www.sligobid.ie

COMPOSITION OF THE BOARD

The Local Government (Business Improvement Districts) Act 2006 states a BID company shall have a board of directors consisting of not less than 6 members and at least two-thirds of the directors shall be

- ratepayers of ratable property in the bid district or
- representatives of such ratepayers

The rating authority (SCC) is entitled to have the following representation on the board of directors for the BID Company:

- if the board consists of less than 13 members, one of those members is selected by the elected representatives and one selected by the CE of Sligo County Council
- if the board of directors consists of 13 or more members, 2 of those members are selected by the elected representatives and 2 shall be selected by the CE of Sligo County Council

Members have the ultimate responsibility for directing the affairs Sligo BID CLG, ensuring it is solvent, well-run, and delivering the outcomes for which it has been set up.

The Board has a statement of its strategic and leadership roles, and of key functions which cannot be delegated.

These include as a minimum:

- ensuring compliance with the objects, purposes, and values of the organisation, and with its governing document.
- setting or approving policies plans and budgets to achieve those objectives, and monitoring performance against them.
- ensuring the solvency, financial strength, and good performance of the organisation.
- ensuring that the organisation complies with all relevant laws, regulations, and requirements.
- dealing with the appointment (and if necessary, the dismissal) of the employees.

- setting and maintaining a framework of delegation and internal control.
- agreeing or ratifying all policies and decisions on matters which might create significant risk to the organisation, financial or otherwise.

The Board must ensure that the organisation’s vision, mission and values and activities remain true to its objects.

- Members are bound by an overriding duty, individually and as a board, to act reasonably at all times in the interests of the organisation and of its present and future beneficiaries (BID members).
- All Members are equally responsible for the board’s actions and decisions and have equal status as Members.
- Each member must act personally, and not as the representative of any group or organisation; this applies regardless of how that person was nominated, elected, or selected to become a board member.

THE BOARD OF DIRECTORS CONSISTS OF:

- 10 Board Members, Business Owners, Property Owners & RatePayers
- 1 Board Member by nomination of Sligo County Council CE
- 1 Board Member by nomination of Sligo County Council elected representatives

Sligo BID Board may seek assistance from additional individuals and organisations that will assist the BID in achieving its objectives.

- Strategic partners internal and external
- Representatives of Business or Trade Associations
- Government or Semi-State Bodies
- Third Level Educational Colleges
- Local non-profit organisations
- Chairperson of Residents Groups from within the BID
- Sligo Chamber of Commerce
- Sligo Tourism
- Sligo Economic Forum
- Other relevant Bodies

OFFICERS OF THE BOARD OF DIRECTORS

- Chairperson
- Company Secretary
- Treasurer

and are elected annually at the Company’s AGM in accordance with the Company’s Articles of Association.

BOARD MEMBERS

- Chairperson: Gerry Conway, Easons/Conway
- Finbarr Filan, Centra
- Paul Brennan, Flipside
- Brian O’Sullivan, The Blind Tiger/Garavogue/Andersons
- Christine Dolan – Quayside Shopping Centre
- Darren Egan – Abbott
- Deirdre Buckley – Higgins Pharmacy
- Cllr Arthur Gibbons – Sligo County Council
- John Reilly – Sligo County Council
- Ann Clinton – Caheny’s Bar
- Allen Banks – The Snug Bar (Company Secretary)

Fully subscribed BID members can join the board of Sligo BID which is open to any business member within the BID area. All members are offered the opportunity to nominate to the board prior to each Annual General Meeting.

THE BID CEO

- The Board will ensure that formal arrangements are set up for the regular supervision, appraisal, and personal development of their CEO. This may be carried out by a small group of the board's members.
- The Board will ensure that there is a formal mechanism for setting the remuneration of the CEO, which should be ratified by the Board. The remuneration package for the CEO should:
 - (a) Be adequate to attract and retain the quality of staff required, but no more
 - (b) Be openly disclosed in the organisation's accounts, including pension and other benefits

It is proposed to continue with the established working sub committees for:

- Finance – including issuing and collection of levies, funding applications and sponsorship opportunities
- Events – development, inclusive of business promotional activity
- Operations – Christmas Lights, St Patrick's Day Parade, Footfall data reports, Town Health Check reports and consumer and business surveys
- Infrastructure – Public realm projects i.e. Civic Plaza, O'Connell St, Rockwood Parade, Tobergal Lane, Water Lane, Wine St car park and vacant properties.
- Membership of the sub committees to open to any BID member within the BID area

BUSINESS CONSULTATION

In 2016 Sligo businesses voted by ballot to set up Sligo BID with a term lasting to 2021. The BID proponents held several public meetings with business owners and visited in excess of 450 businesses prior to the BID ballot. As part of our consultation for a second term, Sligo BID will conduct an extensive information campaign advising ratepayers located within the boundaries of the BID scheme of the details of the programme of work for the next five years. Sligo BID is requesting that under Section 129C (4) (a), that Sligo County Council facilitates in holding a plebiscite. The information campaign will include the following:

- Formal legal public display and consultation of the BID scheme and newspaper advertisements to the effect that a scheme is proposed in compliance with the provisions of the Act.
- Initial mailing to all rateable properties in the BID area of an information document which provides full details of the BID scheme, additional services, and the annual contribution cost.
- Various media briefings, press releases, social media campaign together, newspaper advertisements to raise awareness and promote participation among ratepayers.
- The holding of information meetings to which every ratepayer will be invited wherein details of the BID scheme will be provided, followed by a question and answer session to both consult with and receive feedback from businesses. Due to ongoing Covid-19 meeting and travel restrictions, these meetings may be virtual.
- A final mail shot to every ratepayer providing information update and seeking to fully answer those questions most frequently asked by ratepayers during the briefing sessions.
- Ratepayers in the BID area will be asked to submit their suggestions for what improvements they would like to see in their relevant areas and in the greater town centre. These submissions will be included in a document for consideration by the various BID committees.

The above summarises the information campaign which will be undertaken and funded by Sligo BID and is Independent of any communication that Sligo County Council may provide to the ratepayers in advising them of the forthcoming ratepayer plebiscite.

PROPOSED BOUNDARIES FOR THE BUSINESS IMPROVEMENT DISTRICT

The premise that has been adopted with consideration to boundaries, evolves from the view that a vibrant town centre is essential for Sligo to retain and develop its regional status and to become the preferred visitor point for retail and leisure visitors to the region. A regenerated town centre such as the recently refurbished O'Connell St and the addition of a civic plaza in Stephen St, is as much a pre-requisite for industry as a tool to attract industrial improvement, as it is for the rejuvenation of the overall town centre. There will be a positive 'ripple' on the entire town from a vibrant Sligo town centre. Therefore, the Board are proposing that the BID levy should continue to be supported by the full Sligo BID area rate base.

For the list of current Rateable properties in the Proposed Business Improvement District , see appendix C (as supplied by Sligo County Council).

DESCRIPTION OF THE FOUR PILLARS OF WORK TO BE CONTINUED UNDER THE SLIGO BID SCHEME 2021 -2025:

MARKETING & PROMOTION

We will work to increase the level of marketing & promotional activity to ensure that Sligo has a strong public image that continues to attract business and footfall to the town. To have a strong retail, hospitality and service sector offering that is representative for the entire town, we will work with local partners that aids retail promotion, positioning Sligo as a preferred destination for both domestic and international visitors to the north west. Sligo BID proposes to actively engage in local and regional retail campaigns, local loyalty and voucher programmes promoting support and engagement with local businesses.

In 2015, Sligo joined Galway, Killarney, Waterford, Dublin, and Cork in securing Purple Flag accreditation. Recommended by Fáilte Ireland as a signature award for the Evening and Night Time Economy (ENTE), the Sligo cross sector stakeholder team is recognised by the Association of Town and City Management (ATCM), UK and Ireland as one of the best examples of a town team both here in Ireland and the UK. Sligo BID will continue to project lead the annual application necessary to retain the award. Sligo chairs the Irish network of towns and cities that hold the award and are members of the ATCM (23 Irish towns and cities) and are seeking representation on the newly formed Night Time Task force by the Department of Media, Tourism, Arts, Culture Sports and the Gaeltacht. Through the Purple Flag accreditation, we will continue to work to enhance our nighttime quarters under the tenets of people movement, safety, wellbeing, and policy. We will achieve this through professional sustainable place branding and marketing campaigns, utilizing local press and radio, online technology, social media, and signage.

CULTURAL DEVELOPMENT

Over the last five years Sligo BID has organized and sponsored a range of successful events in the town centre. The aim is to offer a selection of events and showcase the area through a variety of different uses, whilst recognising the symbiosis between urban renewal and the development of a strong arts and culture ethos.

A good working example of this are the Sligo Summer Festival and the Cairde Arts Festival. Both events offer a

multifaceted programme of activity in the heart of Sligo town and combined with sponsorship of events such as St Patrick's Day Parade, Christmas Lights switch on event and events like Cannonball, aids in attracting footfall, helps contribute to local service and seasonal employment and adds to the brand equity of Sligo as a destination.

The addition of a dedicated performance space in the Civic Plaza in Stephen St will enhance Sligo's capacity to offer a year-round itinerary of events and activity. Sligo BID will work with key partners in promoting and highlighting our town and all its retail, hospitality, cultural and social attributes.

Since 2016, Sligo BID has sponsored many of the festivals and events that take place in Sligo such as the annual St Patrick's Day Parade, Sligo Choral Festival, The Sligo Baroque Festival, Sligo Live, Summer Festival and the Cairde Arts Festival.

We will continue to access various funding streams such as Leader, Fáilte Ireland, Heritage Council of Ireland and Sligo County Council and raise sponsorship that allows the company to deliver on its marketing objectives.

Sligo Summer Festival

OPERATIONS & INFRASTRUCTURE

The BID Company has worked on several projects since 2016 that have influenced and impacted the future development of Sligo. Working with other stakeholders such as Sligo County Council, Sligo Chamber, Sligo Tourism and the Sligo Economic Forum, Sligo Bid prepared submissions to the National Planning Framework, Ireland 2040 which resulted in Sligo being recognised as a regional centre for growth. Sligo BID has supported Sligo Tidy Towns since 2016 with over €100,000 in financial contributions. The additional murals and flower displays have been an active part of the BID programme and assist the Tidy Towns voluntary committee in achieving increased points year on year. Through collaboration with various stakeholders and our partners Sligo County Council we have had input into several place making designs and strategies such as the CTCHC Health Check report (phase 1), O'Connell St refurbishment (phase 1), Civic Plaza, Stephen St, Rockwood Parade, Water Lane, Tobergal Lane and Wine St car park.

Sligo BID is now preparing for phase 2 of the CTCHC Health Check Report which will focus on following established methodology in addressing vacant stock for repurposing and to enable development. Sligo BID is supportive of the 'Town Centres First' policy within the programme for government and the commitment towards a wider collaborative action at all levels to regenerate our historic town centres as places of vibrant activity.

Over the proposed five-year term there will be a notable increase in our operational delivery for the town centre as with local partnerships now established and long standing issues addressed such as the lack of Christmas lights and Lower Connaughton Rd, the company is now positioned to add additional projects selected by the BID members as priority actions.

Sligo St Patrick's Day

TOURISM

Sligo BID recognises tourism as one of Ireland's most important economic sectors and is valued at €110 million per annum to Sligo. Prior to Sligo BID forming, Sligo had not attended an industry trade show since 2007. Since 2016, Sligo BID has attended tourism industry trade shows and partnered with Sligo Tourism, Sligo Food Trail, Sligo County Council, Fáilte Ireland and the Purple Flag Network of the ATCM. It is noteworthy that Sligo County Council was the first local authority to have both staff members and elected representatives attend the Coach Tourism Transport Council of Ireland trade show with Sligo Bid in 2017 and 2019 at the RDS, Dublin. This engagement assisted in greatly reversing the reputation of Sligo in this sector and yielded an increase in coach traffic to Sligo of 20% in 2019. Establishing external industry relationships is central to Sligo BID's ethos of extending Sligo's reputation as a progressive, proactive destination of choice.

In 2019, Sligo BID revamped the St Patrick's Day website with funding accessed from Fáilte Ireland.

A second site, Meet in Sligo (MiS) was launched in mid-2019 with a dedicated sales book that was specific to the Meetings, Incentives, Conferences and Events sector (MICE) – business tourism. The seven BID member hotels meet regularly and pre Covid-19 had intended to attend UK and USA industry trade shows in 2021.

Sligo BID funded site inspections and familiarisation visits from tourism industry operators, with over 100 Irish Tour Operator Association (ITOA) representatives visiting Sligo in 2017 and 2018 and hosted 16 town/city teams from other Irish and UK destinations since 2016. Over the next five years we will continue to work collaboratively with local businesses, Sligo County Council, regional and national tourism bodies to further develop our tourism offering in the key market segments of coach, tour operator and MICE sectors and seek opportunities that will benefit our local business community.

ADDITIONAL FUNDING

Sligo BID will continue to identify funding opportunities that would enhance Town attraction. Since 2016, Sligo BID has accessed over €100,000 for projects, either as a match funder for approved sponsorship applications or applications made directly to various funding streams by Sligo BID.

THE KEY OUTPUTS SLIGO BID EXPECTS TO DELIVER INCLUDE:

- Comprehensive data for both Local Authority, existing and in-coming businesses (e.g. footfall data and land use survey data)
- Improved profile for Sligo through professionally organized and adequately funded events
- A focus on the repurposing of vacant stock within the BID area as phase 2 of the CTCHC programme that includes updating land registry, identifying building clusters using CTCHC Building Survey Methodology
- Focused marketing of the town's strengths, with organized promotions that target key market segments both domestic and international
- Identification and adoption of retail and hospitality best-practices for regenerating and growing regional towns
- Retention of the Purple Flag (annual)
- Retention of the certification of the Coach Friendly Destination status (bi-annual)
- Improved communication between all stakeholders of the town, ratepayers and local authority
